Dear Parents and Guardians,

Today the Upper Canada District School Board signed a Memorandum of Understanding (MOU) with the Conseil des Ecoles Publiques de L'Est d'Ontario (CEPEO). The MOU provides CEPEO with the possibility of leasing space for intermediate students enrolled with the CEPEO.

Rockland District High School is currently at 64 per cent capacity, which means that we have underutilized space. The school is projected to maintain a stable enrolment and continue to be at approximately 64 per cent of its capacity for approximately 10 years. The Upper Canada District School Board has considered many options to maximize the use of our publicly funded space in a fiscally responsible manner. The option of leasing space to CEPEO was the most viable option providing UCDSB an opportunity to fully use the facility space at Rockland District High School.

We are firmly committed to preparing all students for a successful life. As such, the UCDSB and Rockland DHS are committed to providing quality English Public Education in Rockland. We are looking forward to welcoming our neighbours to Rockland District High School as we continue to develop our working relationship.

The Memorandum of Understanding will be an agenda item at our next School Council meeting. The meeting will be held on Thursday, December 5 at 7:00 p.m. at Rockland District High School and all are welcome to attend.
